

## CURRICULUM VITAE

**STACY K. HAUER**

---

### PROFESSIONAL PROFILE

Stacy Hauer primarily represents clients who have been injured as a result of defective drugs or faulty medical devices. For the past several years at Zimmerman Reed, she has focused much of her practice in this area on cases including Baycol, Zyprexa, Medtronic Defibrillators, Guidant Defibrillators and Levaquin. Ms. Hauer's extensive background in biochemistry and pharmaceuticals make her uniquely qualified for drug and device litigation.

Ms. Hauer graduated cum laude from the University of Minnesota Law School. She also received a Masters Degree from the College of Pharmacy at the University of Minnesota. Ms. Hauer's graduate education provides her with an understanding of the science behind pharmaceuticals, including how they are created along with how they function. Stacy received her Bachelor degree in Biochemistry, Molecular Biology and Chemistry from the University of Minnesota, Duluth.

Additionally, Stacy also has a background working in the health care industry which has given her a compassionate perspective in advocating for clients who have been injured by defective drugs and medical devices.
